

Greetings Rose Bowl Badger Fans!

We hope you all have an incredible trip to Pasadena. Included are materials and valuable information for those parking for this event.

We anticipate the airport terminal will be busy, so all charter travelers should arrive at the airport 2 hours prior to aircraft departure. Allow an additional half hour if you are parking. We encourage drop offs and carpools for this event.

To accommodate the large numbers of passengers traveling to the Rose Bowl, we have assigned your specific charter flight to park in “LOT M” at Madison Area Technical College (MATC). Included are directions to “LOT M” at MATC and a parking permit to display on your vehicle dash.

- There will be no cost for parking at MATC; however, a shuttle service charge of \$10.00 will be assessed for each vehicle.
- Please be prepared to pay the \$10.00 fee in cash and have the attached permit completed as you board the shuttle bus.
- Multiple shuttles will run Wednesday, December 29th beginning 3 hours prior to aircraft departure.
- Shuttles will be outside the baggage claim area when you return to Madison to take you to “LOT M” at the MATC parking lot.
- Look for the “LOT M” sign on the bus when you return from Pasadena.

If you require assistance or handicapped parking you do not have to park at “LOT M”. Handicapped parking is available at the airport parking facilities across from the terminal.
